What We Offer

- Extensive experience in composing & producing music in all styles
- Large network of composers, producers & musicians
- World-class recording & production studios
- An enjoyable creative process
- Your deadline is our priority

Our Studio

With its classic “Westlake” style design, the APM Custom Studio is universally loved for its warm and creative vibe. Back in the day, this studio hosted many prominent artists and producers such as David Foster, George Martin, Barbra Streisand, Quincy Jones, Lionel Richie and Beck, to name a few.

SAATCHI & SAATCHI

“No matter what crazy curveball I throw at APM Custom, they catch it with excellence, enthusiasm and polish. There’s always a tight deadline and APM Custom has no problem with that. Their musical legacy spans decades and they bring their history, experience and confidence to the table every time we call on them. With their impeccable service, APM Custom has affordably saved me from countless musical perils! You guys are the best!”

– Liza Richardson,
Mad Doll Productions

“I have worked for many years with APM and have never been disappointed with their expertise, excellence and professionalism. I am currently working with APM Custom on several shows for truTV and could not be happier with their quality of work, their efficiency and attention to detail.”

– Nancy McKenna,
VP Production at truTV
